Formal rules of evidence shall not apply to hearings under this section, although the Floyd County Commission or Alcohol Control Commission shall have the right to exclude evidence which carries no indicia of reliability. A subsequent violation within a probationary period shall be cause for revocation and/or denial of license renewal. A total of three (3) separate and unrelated violations within twenty-four (24) months, whether or not within a probationary period, shall be grounds for permanent revocation.
- (8) After considering the findings and conclusions of the Alcohol Control Commission, the Board of Commissioners shall confer and make known their decision in public by majority vote. If the decision of the Board of Commissioners is to revoke the license, the county police department shall immediately take possession of the license and the licensee shall no longer be permitted to carry on the business for which the license was issued. If the license is suspended or the licensee is placed on probation, the terms and conditions of the suspension or probation shall be specifically set forth in writing by the Board of Commissioners and the licensee shall comply with such conditions. The county police department shall make frequent inspections of the licensee to determine that the conditions of suspension or probation are being complied with.
- (9) The decision shall be personally served or mailed by certified mail, return receipt requested to the licensee and his attorney, with a copy to the Floyd County attorney, within ten (10) business days of the close of the hearing. The decision shall constitute final action by Floyd County, subject to review by the superior court, as provided by law.

- (10) Upon receipt of notice of adverse action against the licensee under this section, the licensee may waive its right to a hearing and stipulate to a sanction, as recommended by the Floyd County Clerk, in consultation with the Chief of Police.
